“A tour de force of reporting” (The Washington Post) from a Pulitzer–prize winning journalist that examines the often-corrupt machine producing America’s basketball stars “Indispensable.”—The Wall Street Journal “Often heart-breaking, always riveting.”—The New York Times Book Review “Tremendous.”—The Plain Dealer Winner of the PEN/ESPN Award for Literary Sportswriting • Winner of the Award for Excellence in the Coverage of Youth Sports Using eight years of unfettered access and a keen sense of a story’s deepest truths, journalist George Dohrmann reveals a cutthroat world where boys as young as eight or nine are subjected to a dizzying torrent of scrutiny and exploitation. At the book’s heart are the personal stories of two compelling figures: Joe Keller, an ambitious coach with a master plan to find and promote “the next LeBron,” and Demetrius Walker, a fatherless latchkey kid who falls under Keller’s sway and struggles to live up to unrealistic expectations. Complete with a new “where-are-they-now” epilogue by the author, *Play Their Hearts Out* is a thoroughly compelling narrative exposing the gritty reality that lies beneath so many dreams of fame and glory. One of GQ’S 50 Best Books of Literary Journalism of the 21st Century • One of the Best Books of the Year: Los Angeles Times, The Christian Science Monitor, Kirkus Reviews This edition includes an exclusive conversation between George Dohrmann and bestselling author Seth Davis.

Harlequin

In my decades of training and coaching basketball and seeing athletes go on to Division 1 programs, I’ve seen some tremendous success stories, as well as players and families who struggled along the way, for various reasons. Over the years, I have compiled my experiences and observations into concrete thoughts that became the foundation for this book. Here, I attempt to point out some of the roadblocks, challenges, and opportunities that await student athletes and families who pursue D-1 scholarships on the road of travel basketball This book is written for you, the parent who wants to support and advocate for your child, to prepare and equip you for success. This book is also written for you, the student athlete, as you learn to OWN the journey, and take responsibility for all YOU can do to claim the prize you seek: a scholarship and a place on a D-1 roster. I have endeavored to speak to both audiences in this book—the parent and the player. The path of D-1 sports is not an easy one, but it IS a memorable one. I hope this book will provide you with the information and direction you need to be successful, and to enjoy every minute of your journey on the road of travel basketball.

*InfoAAU*. Simon & Schuster

From a former college basketball player and shoe rep for Nike, this explosive insider’s account into the dark underworld of college basketball exposes the corrupt and racist systems that exploit young athletes and offers a new way forward For Merl Code, basketball was life. In college he played point guard for Clemson before turning pro. Later, with a keen eye for talent and vested interest in the basketball community, he pivoted to marketing, where he was eager to build relationships with young athletes who might one day become ambassadors for Nike and Adidas. But as his network expanded and his responsibilities as a shoe rep grew, he found himself thrust into the dark underbelly of profit-driven college basketball programs, and the storied coaches who led them. He realized that the NCAA’s amateurism rules, which prohibit athletes from receiving compensation until they go pro, were exploiting young athletes, and athletes of color in particular. Colleges and universities, he observed, were using corporate sponsors to circumvent the NCAA’s bylaws, and employees like Code were stuck in the middle. Now, for the first time, Code will share his side of the explosive story of college basketball’s dark reality. Code has engaged with the sport at every level—from the AAU circuit, to college recruiting battles, to wooing NBA stars to sign

sneaker deals. He’s been responsible for recruiting athletes like Zion Williamson, Anthony Davis, and Giannis Antetokounmpo to endorse the shoes of his employers. But Code has also seen the darker side of college basketball. He recounts how he became the fall guy for a bribery scandal involving payments to college and high school athletes, while the storied coaches implicated by the FBI were not charged and still walk the sidelines. Highlighting stories of real athletes and their families and what’s at stake for them, Code pulls back the curtain on the systemic problem of using players for financial gain in college athletics. Propulsive, urgent, and eye-opening, *Black Market* exposes the truth to offer a more just way forward for both colleges and athletes.

**American Hoops** Wipf and Stock Publishers

Presents 577 biographical entries on the lives and careers of individuals important to the history of basketball, from its origins to the present.

*Netting Out Basketball 1936* BookPros, LLC

Those who avidly followed the on-court acrobatics and off-court celebrity of the OC Dream TeamOCO in Barcelona in 1992 would hardly recognize what passed as basketball fifty-six years earlier, when the United States first played the game in the 1936 Olympics. In those early days of menOCOs Olympic basketball, many teams lacked basic skills, games were played in the pouring rain, only seven players could suit up, and the rules allowed only two substitutions and no time-outs. How this slow, low-scoring sport became the breakneck game that enraptures millions worldwide is the story of American Hoops.In this fascinating history of Olympic basketball on the world stage and behind the scenes, Carson Cunningham presents a kaleidoscopic picture of the evolution into the twenty-first century of one of AmericaOCOs most popular sports. From clashes between celebrated egos and thrilling action on the court to the intense rivalries of the Cold War and technological advances in everything from television to sports equipment off the court, American Hoops follows the fortunes of Olympic basketball, in the United States and internationally, as it developed and emerged as one of the most challenging and entertaining sports in the world.Cunningham traces how the modifications made by the International Olympic Committee and the International Basketball Federation have transformed the game of basketball over the years, from the Berlin to the Beijing Olympics. His book offers a remarkable view of the changing world through the prism of Olympic sport."

**African Americans in Sports** Anchor

An irreverent, hilarious insider’s look at big-time NCAA basketball, through the eyes of the nation’s most famous benchwarmer and author of the popular blog ClubTrillion.com (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and made it to the 2007 national championship game. You would think Titus would be all over the highlight reels. You’d be wrong. In 2006, Mark Titus arrived on Ohio State’s campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual career wins in Ohio State history. Think that’s impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus’s unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports!

**Playing Time** ABC-CLIO

Adams defines the mythology of Kobe Bryant as the ways and means in which Kobe’s inspirational greatness transcended the culture of sport and the ever-changing context of human existence as we know it. Here the mythological greatness of Kobe Bryant, in life and death, leaves creative space for a knowledgeable interpretation of what made Kobe, to borrow the word of LeBron James,

immortal. Whether it was founded in the unfathomable amount of work that Kobe put into improving his basketball game from one year to the next or the creation of the Mamba Mentality that enabled him to teach others how to grow into the best version of themselves, the symbiotic totality of Kobe’s ability to be great while inspiring others is worth celebrating. Utilizing biblical studies and theological reflections, this new volume presents Kobe Bryant as an imperfect human being. Through statistical facts, descriptive narratives, and historical analyses, this book also presents a detailed argument as to why Bryant is the greatest basketball player ever. Kobe’s Mamba Mentality gives a thick description of his inner drive and his outer thoughts for the purpose of unpacking the contours of Kobe’s life as a family man, businessman, leader, and professional athlete.

*Play Their Hearts Out* University of Arkansas Press

Did you know Kevin Durant led his AAU team to a national championship when he was only 11? Discover how an amazing high school and college basketball player went on to become an NBA great!

*I AM D-1, How to Conquer the World of Travel Basketball* Play Their Hearts Out

"Coach Hatchell’s book is a must-read for every girls’ basketball coach. She is fantastic in every phase of the game, and I love watching her teams play."—Roy Williams, head men’s basketball coach, University of North Carolina, and Associated Press Coach of the Year, 2006 What does it take to turn a good coach into a great one? You need to be a teacher, a motivator, a guru of X’s and O’s. Coach Sylvia Hatchell shows you how she manages all these roles and gives you her winning advice to creating a team of champions. Head coach of the University of North Carolina’s women’s team, Coach Hathcell combines the Tar Heels’ longstanding tradition of basketball greatness with her personal dedication to guiding young women as she teaches you how to: Communicate effectively to get peak performances from 11- to 18-year-old girls Teach all the fundamentals of the game and run a productive, high-energy practice Develop a formidable offense and tenacious defense Master 75 of her favorite drills, ranging in difficulty from beginner to advanced

*The A.A.U. Wasteland* U of Nebraska Press

NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

**Protection of College Athletes** Greenwood Publishing Group

*Play Their Hearts Out*Ballantine Books

*Defending the American Way of Life* FriesenPress

The sixth volume of the Biographical Dictionary of American Sports, this supplement includes entries on 616 major figures in baseball, football, basketball, and other sports.

**Kevin Durant** Ballantine Books

NATIONAL BESTSELLER A unique, unfiltered memoir from the NBA champion and fifteen-time all-star ahead of his induction into the Hall of Fame. Kevin Garnett was one of the most dominant players the game of basketball has ever seen. He was also one of its most outspoken. Over the course of his illustrious twenty-one-year NBA career, he elevated trash talk to an art form and never shied away from sharing his thoughts on controversial subjects. In *KG A to Z*, published ahead of Garnett's induction into the Basketball Hall of Fame, he looks back on his life and career with the same raw candor. Garnett describes the adversity he faced growing up in South Carolina before ultimately relocating to Chicago, where he became one of the top prospects in the nation. He details his headline-making decision to skip college and become the first player in two decades to enter the draft directly from high school, starting a trend that would be followed by future superstars like Kobe Bryant and LeBron James. He shares stories of playing with and against Bryant, James, Michael Jordan, and other NBA greats, and he chronicles his professional ups and downs, including winning a championship with the Boston Celtics. He also speaks his mind on a range of topics beyond basketball, such as fame, family, racism, spirituality, and music. Garnett's draft decision wasn't the only way he'd forever change the game. His ability to play on the perimeter as a big man foreshadowed the winning strategy now universally adopted by the league. He applies this same innovative spirit here, organizing the contents alphabetically as an encyclopedia. If you thought Kevin Garnett was exciting, inspiring, and unfiltered on the court, just wait until you read what he has to say in these pages.

[The Final Report of the President's Commission on Olympic Sports](#) McGraw Hill Professional

This provocative critique of the youth sports movement examines the various issues surrounding children in sports and provides a plan for reform based on a change in philosophy and practice. • Contains a separate chapter on youth football that highlights the toxic elements of the sport • Features a comprehensive bibliography of some 275 sources containing scholarly and popular books, periodicals, conference papers, and online resources • Offers a comprehensive view on the topic, including the expenses, injuries, and exploitation by coaches • Explores the damaging culture of hypermasculinity inherent in boys sports

[Columbia Alumni News](#) Penguin

The Cold War was fought in every corner of society, including in the sport and entertainment industries. Recognizing the importance of culture in the battle for hearts and minds, the United States, like the Soviet Union, attempted to win the favor of citizens in nonaligned states through the soft power of sport. Athletes became de facto ambassadors of US interests, their wins and losses serving as emblems of broader efforts to shield American culture—both at home and abroad—against communism. In *Defending the American Way of Life*, leading sport historians present new perspectives on high-profile issues in this era of sport history alongside research drawn from previously untapped archival sources to highlight the ways that sports influenced and

were influenced by Cold War politics. Surveying the significance of sports in Cold War America through lenses of race, gender, diplomacy, cultural infiltration, anti-communist hysteria, doping, state intervention, and more, this collection illustrates how this conflict remains relevant to US sporting institutions, organizations, and ideologies today.

**Don't Put Me In, Coach** Greenwood Publishing Group

"Gary Pluff has put together a great manual for basketball players 12-to-18 who want to get better. The A-Z Basketball Book is a great read for those interested in learning more about the game and becoming improved players." Jim Boeheim, Head Coach Syracuse Men's Basketball The A-Z Basketball Book is for all players, from age 12 to 18, that want to know what it takes to excel at the great game of basketball. Developed from a lifetime of coaching, playing, and studying, this comprehensive book condenses all the wisdom of the game down into an easy-to-read A to Z format. Meant to be read over and over again, the book will help young players elevate their game by increasing their knowledge and insight of the sport.

[Basketball Capstone](#)

STUFF Good Players Should Know may very well be the best book ever written for basketball players. It is conversational and easy to understand, yet filled with subtle insights into the game of basketball. STUFF is page after page of creative concepts, common sense, and special tips that can not be found anywhere else. ? How do you guard a stronger player? ? How do you set up a game-winning steal? ? How do you ?strip? a rebound? ? How do you score with a strong-handed dribble while going to the weak side? ? How do you practice shooting for maximum game effectiveness? ? How do you recognize defensive changes? STUFF is like having a coach right beside you, in your room, discussing the fine points of the games. How do you think in the minutes of the game? How do you react to mistakes? What is your attitude about fouls? Eating? Superstitions? Injuries? All this and more makes STUFF a book that players will find indispensable. Basketball fans will enjoy it, but players won't do

[The Round Table](#) Xulon Press

**Executive summary and major conclusions and recommendations** Enslow Publishing, LLC In their book "The AAU Wasteland," Coach Dave Taylor and Eli Gonzalez pull back the rug on the AAU and no one is safe, whether they are players, coaches, parents, the NCAA, the NBA, or major shoe companies. Far too many young, influential, and talented basketball players put their hopes into this broken system, only to become non-functioning members of society. However, there is hope! Coach Taylor and Mr. Gonzalez provide a solution that can make the sport of basketball a pure journey to enrich lives once again. If anyone can speak on the current realities of the AAU, it's

Dave Taylor. He has played both high school and college basketball. He has coached Division I basketball for four years and was a head varsity basketball coach at the high school level for fifteen years in California. Taylor has been coaching high profile AAU teams and running camps for youngsters with exceptional talent for over twenty years. He currently runs the NATIONAL Jr. Phenom Camp since it started over ten years ago and has also been involved with national AAU programs such as Double Pump and the West Coast All-Star camp for decades. He oversees camps all across the country and has gone to Tokyo, Australia, Beijing, Singapore, and other countries to teach and coach the game of basketball. He will soon run the Plumlee Big Man Camps and other camps for NBA players. He was a character in and was a source of information for the New York Times Best Seller "Play Their Hearts Out" and is featured in the basketball documentary *Hoop Dreams 2*. Dave Taylor either directly coached or had in his camps current NBA players such as James Hardin, Carlos Boozer, Paul George, Clay Thompson, Drue Holiday, John Wall, Trevor Ariza, Gilbert Arenas, Mike Dunleavy Jr, the Lopez twins, and many more. Eli Gonzalez is a contracted ghostwriter for Xulon Press who previously coached a high school varsity boy's basketball team. Together they intricately weave a story of innocence lost, peppered with stories of NBA legends, and advice from Coach John Wooden. It also includes Coach Taylor's advice to players, parents, and coaches on leveraging the sport to a better future.

[Hearings](#) ESPN

**\*\*The Instant National Bestseller\*\*** The standout memoir from NBA powerhouse Andre Iguodala, the indomitable sixth man of the Golden State Warriors. Andre Iguodala is one of the most admired players in the NBA. And fresh off the Warriors' fifth Finals appearance in five years, his game has never been stronger. Off the court, Iguodala has earned respect, too—for his successful tech investments, his philanthropy, and increasingly for his contributions to the conversation about race in America. It is no surprise, then, that in his first book, *Andre*, with his cowriter Carvell Wallace, has pushed himself to go further than he ever has before about his life, not only as an athlete but about what makes him who he is at his core. The Sixth Man traces Andre's journey from childhood in his Illinois hometown to his Bay Area home court today. Basketball has always been there. But this is the story, too, of his experience of the conflict and racial tension always at hand in a professional league made up largely of African American men; of whether and why the athlete owes the total sacrifice of his body; of the relationship between competition and brotherhood among the players of one of history's most glorious championship teams. And of what motivates an athlete to keep striving for more once they've already achieved the highest level of play they could have dreamed. On drive, on leadership, on pain, on accomplishment, on the shame of being given a role, and the glory of taking a role on: This is a powerful memoir of life and basketball that reveals new depths to the superstar athlete, and offers tremendous insight into most urgent stories being told in American society today.
